ESEA Bulletin

ESEA Title II | Bulletin No. 10 | September 6, 1967

Amounts listed here represent the unused balances of the 1966-67 allocations to Montana school districts, private schools, and state institutions under Title II of ESEA (the Elementary and Secondary Education Act.) Schools listed may participate in the Fall Request for library books. Funds will not be paid directly to the schools; instead, library books may be requested through the Superintendent of Public Instruction, not exceeding the amount of the unused balance. Instructions and request forms are provided.

Where a district has ceased to exist, its unused balance may be used by the district which received its territory through formal proceedings such as annexation or consolidation; officials of the enlarged district should request information from the ESEA Title II Supervisor, Department of Public Instruction.
